1. **Contact with District Personnel during Bid Process.** From the time the bid packets are released until an award recommendation or rejection of all bids is made, no direct contact shall be made with DISTRICT personnel except Purchasing Division without the Buyer's specific authorization. All requests for information shall be referred to the DISTRICT's ARCHITECT/ENGINEER or BUYER as identified on the Notice to Bidders. Interpretations, clarifications, changes, or deletions verbally expressed by DISTRICT's staff other than ARCHITECT/ENGINEER or BUYER are not binding and shall not be used in determining BIDDER'S response to invitation to bid.

2. **Architect/Engineers' Estimates.** Any Architect/Engineers' estimate(s) provided by the DISTRICT or its Representatives is intended only to aid with prequalification and bid bond requirements. Any amount provided is an estimated range and may not reflect recent scope changes, addenda, and/or alternate bid items; nor does it reflect an approved

3. **Bid Limit Thresholds.** On January 8, 2014, DISTRICT elected to become subject to the California Uniform Public Construction Cost Account Act (CUPCAA) which provides for alternative bidding thresholds and procedures pursuant to public contract codes 22000 through 22045 when an agency performs construction work by contract. Informally Bid Projects: If all bids received under the informal bid process are in excess of \$200,000, the governing board may by adoption of a resolution by a four-fifths vote award the contract at \$212,500 or less to the lowest responsible bidders as set forth in the Act PCC22034(d). Fresno Unified may also choose to reject all bids and rebid; whichever is in the best interest of the DISTRICT as determined solely by the DISTRICT.

The Sign-In Sheet will be posted on DISTRICT Purchasing Web Site and distributed by Addenda for mandatory pre-bid conferences. Failure to sign-in and attend will result in the rejection of prime contractor's bid as "non-responsive".

Immediately following a pre-bid conference will be a job-walk of the site(s) to provide an opportunity for bidders to view the project site and become familiar with existing conditions. Changes, clarifications, additions, and deletions discussed at the pre-bid conference and job-walk are only binding when incorporated by written addenda. **As part of pre-bid/job-walk CONTRACTOR shall be responsible for inspection and verification of all dimensions and measurements identified in drawings; submitted proposal shall be inclusive of actual measurements required to deliver a turn-key project.**

No oral or telephonic modification of any bid submitted will be considered.

16. **Withdrawal of Bids.** Bids may be withdrawn by the bidder prior to the time fixed for the opening of bids. A successful bidder may not be relieved of his bid unless by consent of the governing board of DISTRICT and in conformity with the provisions of Public Contract Code Sections 5100-5107, or other applicable law

17. **Opening of Bids.** Opening of bids shall be as soon after the hour set as practicable; opening to be as set forth in the Notice to Bidders. Any and all bidders will be permitted to attend. All bids submitted shall be considered binding contractual offers to perform the work in accordance with the Contract Documents for **90** calendar days from the date of the bid opening.

18. **Examination of Site and Contract Documents.** Each bidder shall visit the site of the proposed work and fully acquaint himself with the conditions relating to the construction and labor so that he may fully understand the facilities, difficulties, and restrictions attending the execution of the work under the Contract. Bidders shall thoroughly examine and be familiar with the drawings and specifications. The failure or omission of any bidder to receive and/or examine any Contract Document, form, instrument, addendum, or other document, or to visit the site and acquaint himself with the conditions attendant thereto shall not relieve any bidder from any duties and/or obligations with respect to his bid or to the Contract. The submission of a bid shall be incontrovertible evidence that the bidder has complied with this section.

19. **Modifications.** Changes in or additions to any bid document, recapitulations of the work bid upon, alternative proposals, or any other modification of the bid form which is not specifically called for in the Contract Documents may result in the DISTRICT’s rejection of the bid as not being responsive to the invitation to bid. No oral, telephonic, or telegraphic modification of any bid submitted will be considered.

20. **Agreements and Bonds.** The Agreement form which the successful bidder, as CONTRACTOR, will be required to execute, and the form of the payment and performance bonds which he will be required to furnish prior to execution of the Agreement, are included in the Contract Documents and said bonds shall each be in the amount of **One Hundred Percent (100%)** of the amount of the Contract.

The performance and payment bonds shall be issued by an admitted surety insurer as defined by and in conformity with California law. Furthermore, at the time required for submission of the foregoing bonds, each bond should have attached to it the following documentation:

- a. A certified copy of the power of attorney of the person who executed the bond;
- b. A certified copy of the certificate of authority of the surety;
- c. A certificate of the county clerk stating that the surety's certificate of authority is still in force; and
- d. Copies of the surety's most recent annual and quarterly statements filed with the California Insurance Commissioner.

21. **Interpretation of Plans and Documents.** If any bidder is in doubt as to the true meaning of any part of the Contract Documents, or finds discrepancies in, or omissions from the drawings and specifications, a written request for an interpretation or correction thereof may be submitted to the DISTRICT. The bidder submitting the written request shall be responsible for its prompt delivery. Any interpretation or correction of the Contract Documents will be made only by addendum duly issued by the DISTRICT, and a copy of such addendum will be hand delivered or mailed or faxed to each bidder known to have received a set of the Contract Documents. No person is authorized to make any oral interpretation of any provision in the Contract Documents, nor shall any oral interpretation be binding on the DISTRICT. If discrepancies on drawings, or in the plans or specifications, or conflicts between drawings, plans, specifications, terms or conditions exist, the interpretation of the DISTRICT shall prevail. Bidder shall become familiar with the plans, specifications and drawings.

Submittal of a bid without clarifications shall be incontrovertible evidence that the bidder has determined that the plans, specifications and drawings are sufficient for bidding and completing the Project; that bidder is capable of reading, following and completing the Project in accordance with the plans, specifications and drawings; and that the plans, specifications and drawings fall within an acceptable standard for plans, specifications and drawings; and that bidder agrees that the Project can and will be completed according to the DISTRICT's time lines and according to the progress schedule to be submitted by the successful bidder incorporating the DISTRICT's time lines for completion of the Project.

22. **Order of Precedence.** Contractor acknowledges that the bid documents are the combined efforts of multiple parties and in the event of inconsistency between the provisions, the order of precedence shall be: (1) DISTRICT's Special Conditions (if any); (2) DISTRICT's General Conditions and General Requirements; (3) DISTRICT's specifications; (4) DISTRICT's drawings. Without limiting Contractor's obligation to identify conflicts for resolution by the ARCHITECT, it is intended that the more stringent, higher quality, more costly or expensive interpretation and greater quantity of Work shall apply. Drawings and specifications are intended to be fully cooperative and to agree.

23. **Addenda or Bulletins.** Any addenda or bulletins issued during the time of bidding, upon approval of ARCHITECT/ENGINEER and/or Division of the State Architect, for part of the drawings and specifications loaned to the bidder for the preparation of his proposal, shall be covered in the proposal and shall be made a part of the Contract.

24. **Award of Contract(s)/Rejection of Bids.** Upon notice of award, the successful bidder shall post all required bonds and submit proper evidence of insurance coverage as called for by the Contract Documents. If this is not accomplished within ten (10) calendar days, the DISTRICT reserves the right to retain/cash CONTRACTOR'S bid security to cover any and all expenses, costs and damages, and award the bid to the next lowest bidder or otherwise proceed as allowed by law. Rejection of any or all proposals, to contract work with whomever and in whatever manner, to abandon the work entirely, or to waive any informality/irregularity in the bids received or the bidding process is reserved as the right of the DISTRICT.

25. **Bid Protest Procedure.** This DISTRICT review procedure must be followed by any bidder who believes that a bid award recommendation is not consistent with DISTRICT regulations, the bid specifications, or in compliance with law:

- a. Protest on a bid must be filed in writing with the Executive Director of Purchasing within two working days after receipt of the bid summary and its recommendations are sent to the bidders. Failure to file a timely bid protest shall constitute a bidder's waiver of the right to have the bid award reviewed.
- b. The Executive Director of Purchasing will convene a meeting with the review requestor to attempt to resolve the problem.
- c. In the event the protest is not resolved, the protest will be referred to the Superintendent or his designee, normally the Chief Financial Officer.
- d. Should the protest not be resolved at this level, it shall be referred to the Board along with all documentation regarding the protest and the responses at each level.
- e. The Board will not act upon a protest until each of the proceeding steps has been exhausted.

26. **Definitions.**

- a. **Responsible Bidder** – A bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform a public works contract.
- b. **Responsive Bid** – A bid which meets all of the requirements and specifications provided in the applicable Contract Documents.

27. **Evidence of Responsibility.** Upon the request of the DISTRICT, a bidder whose bid is under consideration for the award of the Contract shall submit promptly to the DISTRICT satisfactory evidence showing the bidder's financial resources, construction experience and organization.

28. **Listing Subcontractors.** Each bidder shall submit a list of the proposed subcontractors on the project as required by the Subletting and Subcontracting Fair Practice Act (Public Contract Code Sections 4100 et seq.). Forms for this purpose are furnished with the Contract Documents.

29. **Alternates.** Pursuant to the provisions of Public Contract Code Section 20103.8, the DISTRICT may require that a bid include prices for items that may be added to, or deducted from, the scope of work of the Contract for which the bid is submitted. In accordance with Assembly Bill 2182 and Public Contract Code 10126 (c) (2) the contract may be awarded at the election of the governing board to the lowest cost, responsible bidder. This section does not preclude the DISTRICT from adding to or deducting from the Contract any of the additive or deductive items after the lowest responsible bidder has been determined.

**The Method for determining the lowest bid will be the price total of Base Bid. Bid Sections A, B & C will be awarded separately.**

30. **Execution of Contract.** The Contract shall be awarded to the lowest responsible bidder submitting a responsive bid and shall be executed by the successful bidder within ten (10) calendar days after the date so notified by the DISTRICT. The award, if made, will be made within ninety (90) days after the opening of the bids. If the bidder(s) to whom an award is made, fails or refuses to execute the Contract and provide the required bonds and other documents within ten (10) calendar days from the date of receiving notification that the Contract has been awarded to the bidder, the DISTRICT may declare the bidder's bid deposit or bond forfeited and may award the work to the next lowest responsible bidder, reject all bids and call for new bids, or abandon the work entirely.

31. **Bidders Interested in More than One Bid.** No person, firm, or corporation shall be allowed to make, file, or be interested in more than one bid for the same work/Project unless alternate bids are specifically called for by the DISTRICT.

A person, firm, or corporation that has submitted a sub-proposal to a bidder, or quoted prices for materials to a bidder, is not disqualified for that reason from submitting a sub-proposal or quoting prices to other bidders or making a prime bid.

**32. Instruction for Insurance.**

A. CONTRACTOR, at CONTRACTOR'S expense, shall obtain and maintain insurance at all times during the prosecution of the Contract, in companies and through agencies approved by the DISTRICT and with limits not less than those stated hereinafter.

B. Acceptance of the Certificates of Insurance shall not relieve or decrease the liability of the CONTRACTOR.

C. Certificates of Insurance shall be originally signed by an authorized representative and shall be submitted in duplicate and shall contain transcripts from the policies authenticated by the proper office of the insurer evidencing, in particular, those insured, the extent of the insurance, the location of and the operation to which the insurance applies and thirty (30) days' NOTICE OF CANCELLATION of the policy. - Workers' Compensation Certification

47. **Reject Any or All Proposals.** The DISTRICT reserves the right to accept or reject any or all proposals or bids or any combination thereof and to waive any informality in the bidding process.

48. **Prohibited Interests/Conflict of Interest.** BIDDER is responsible for understanding and ensuring adherence to California Government Code section 1090 et seq., with respect to the Project. Pursuant to Government Code section 1090, no DISTRICT officers or employees shall be financially interested in any contract made by them in their official capacity, or by any body or board of which they are members. Nor shall DISTRICT officers or employees be purchasers at any sale or vendors at any purchase made by them in their official capacity. No official or employee of DISTRICT who is authorized in such capacity and on behalf of DISTRICT to negotiate, make, accept, or approve, or to take part in negotiating, making, accepting or approving, any architectural, engineering, inspection, construction or material supply contract or any

subcontract in connection with construction of the Project, shall become, directly or indirectly, financially interested in the Project or in any part thereof.

An officer shall not be deemed to be interested in a contract entered into by the Board if the officer has only a “remote interest” in the contract (as "remote interest" is defined in Government Code section 1091(b)) and if the fact of that interest is disclosed to the Board and noted in its official records, and thereafter the Board authorizes, approves, or ratifies the contract in good faith by a vote of its membership sufficient for the purpose without counting the officer’s vote with the remote interest per Government Code 1091.

By way of non-exclusive example relating to whether a financial interest is a “remote interest” or not:

- 1) If the date upon which BIDDERS first started doing business with a DISTRICT Officer/Board Member (i.e., the date BIDDERS first received goods or services supplied by the Board Member) was at least 5 years prior to Board Member’s election or appointment, then the Board Member has a remote interest and BIDDERS is not prohibited from submitting a bid on this Project.
- 2) If the date upon which BIDDERS first started doing business with the Officer/Board Member (i.e., the date CONTRACTOR first received goods or services supplied by a Board Member) is less than five years before Board Member’s election or appointment, then the Board Member has a prohibited conflict of interest and BIDDERS cannot bid on this project.
- 3) The provision of a bid/quote to BIDDERS over 5 years prior to Board Member’s election or appointment, without the goods or services included in the bid actually being furnished to BIDDERS, i.e., an unaccepted bid/quote, does not qualify to cause a financial interest to be a “remote interest” as that term is defined in California Government Code section 1091(b)(8).

In accordance with Government Code section 1092, every contract made in violation of any of the provisions of Section 1090 may be avoided at the instance of any party except the Officer (Board Member) interested therein. No such contract may be avoided because of the interest of an Officer (Board Member) therein unless such contract is made in the official capacity of such Officer, or by the Board. In the event any such contract is avoided due to a violation of California Government Code section 1090, BIDDERS shall receive no compensation and shall repay DISTRICT any compensation received by BIDDERS hereunder. BIDDERS shall not aid, abet or knowingly participate in a violation of Government Code Section 1090, et seq.

# NO PROHIBITED INTEREST/CONFLICTS OF INTEREST DECLARATION

(TO BE EXECUTED AND SUBMITTED WITH BID)

I hereby certify and declare that the undersigned Bidder has reviewed and understands Article 47 of the Information to Bidders, Prohibited Interests/Conflicts of Interest, and that Bidder has no business relationship with any member of the Board of Education (“BOE”) that gives any BOE member a financial interest in any contract between Bidder and the District, other than a financial interest that qualifies as a “remote interest” or a “noninterest,” and that no Prohibited Interests/Conflicts of Interest exist which violate Article 47 of the Information to Bidders and thereby preclude Bidder from contracting with the Fresno Unified School District. Bidder further understands that the provision of a bid/quote to Bidder over 5 years prior to a BOE member’s election or appointment, without the goods or services included in the bid actually being furnished to Bidder, i.e., an unaccepted bid/quote, does not qualify to cause a financial interest to be a “remote interest” as that term is defined in California Government Code section 1091(b)(8).

Consistent with the foregoing and with Article 47 of the Information to Bidders relating to Prohibited Interests/Conflicts of Interest, Bidder understands that if Bidder is awarded the contract for this Project and a Prohibited Interests/Conflict of Interest is thereafter discovered which violates Article 47 of the Information to Bidders, Prohibited Interests/Conflicts of Interest, the contract between Bidder and Fresno Unified School District may be void, and in such event Bidder may be required to disgorge all monies received pursuant to such void contract.

I declare under penalty of perjury under the laws of the State of California that 1) Bidder has reviewed all necessary documents and exercised all due diligence in determining that no Prohibited Interests/Conflicts of Interest exist as set forth above and as described in Article 47 of the Information to Bidders relating to Prohibited Interests/Conflicts of Interest, with respect to the undersigned Bidder, 2) I am authorized by Bidder to execute this form on Bidder’s behalf and to make the certifications contained herein, and 3) the representations and certifications set forth herein are true and correct.
