**NO PROHIBITED INTEREST/CONFLICTS OF INTEREST
DECLARATION**

(TO BE EXECUTED AND SUBMITTED WITH BID)

I hereby certify and declare that the undersigned Bidder has reviewed and understands, Prohibited Interests/Conflicts of Interest, and that Bidder has no business relationship with any member of the Board of Education ("BOE") that gives any BOE member a financial interest in any contract between Bidder and the District, other than a financial interest that qualifies as a "remote interest" or a "noninterest," and that no Prohibited Interests/Conflicts of Interest exist which violate and thereby preclude Bidder from contracting with the Fresno Unified School District. Bidder further understands that the provision of a bid/quote to Bidder over 5 years prior to a BOE member's election or appointment, without the goods or services included in the bid actually being furnished to Bidder, i.e., an unaccepted bid/quote, does not qualify to cause a financial interest to be a "remote interest" as that term is defined in California Government Code section 1091(b)(8).

Consistent with the foregoing and relating to Prohibited Interests/Conflicts of Interest, Bidder understands that if Bidder is awarded the contract for this Project and a Prohibited Interests/Conflict of Interest is thereafter discovered which violates Prohibited Interests/Conflicts of Interest, the contract between Bidder and Fresno Unified School District may be void, and in such event Bidder may be required to disgorge all monies received pursuant to such void contract.

I declare under penalty of perjury under the laws of the State of California that 1) Bidder has reviewed all necessary documents and exercised all due diligence in determining that no Prohibited Interests/Conflicts of Interest exist as set forth above relating to Prohibited Interests/Conflicts of Interest, with respect to the undersigned Bidder, 2) I am authorized by Bidder to execute this form on Bidder's behalf and to make the certifications contained herein, and 3) the representations and certifications set forth herein are true and correct.
